for Peace & Justice

Invest in the Economy Not in War!

DO YOU KNOW...???

- **A US serviceman or woman is killed every other day in Iraq.**
- **An Iraq War veteran takes his or her own life nearly every day.**
- **Nearly 20% of Iraq War veterans suffer from PTSD (post-traumatic stress disorder).**
- **The operational cost of Iraq war is \$611 billion so far, at the rate of \$341 million a day.**
- **Every Rockland family has paid \$13,000 taxes for the war on Iraq.**

Besides the financial costs of war, the human cost to US soldiers and Iraqi civilian victims is nearly incalculable, for an unnecessary war based on lies.

In fact these costs are so high that if we ever really faced up to them we would never go to war again.

We would invest billions in searching for alternatives to war and consider it one of the best investments we ever made.

BRING TROOPS HOME NOW!

Join 333rd Peace Vigil to end the war!

Every Saturday, 1-3pm, at Rte. 59 & N. Middletown Rd. in Nanuet, NY
