

How much is the Iraq war costing you, the taxpayer?

The cost to Rockland County taxpayers

\$1,300,000,000

Every household in Rockland County pays *\$13,000*****

That is your money!

Instead, we could have:

- provided 256,916 people in Rockland County with health care for one year, or
- provided 227,342 scholarships for University students in Rockland County for one year, or
- provided 7,919 affordable housing units in Rockland County, or
- paid for 16,136 Elementary School teachers in Rockland County for one year.

War is deadly and costly

In addition to the suffering and death caused by this illegal and immoral war, America cannot afford the cost of empire. Today we are facing the worst economic crisis in our lifetime.

- National debt: \$11 trillion
- Unemployment: 12.5 million (8.1% workers)

Invest in the economy, not in war

The occupation of Iraq is the source of the violence not the solution. Take actions to end the occupation NOW!
