Paula Rogovin of Teaneck, NJ is the mother of a Marine who has served two tours of duty in Iraq.

Paula says **“Our hearts break to think of our beloved troops and the Iraqi people who died in this illegal and immoral war in Iraq, a war based on lies.”**

“Our loved ones joined the military in good faith but have been abused by repeated deployments to Iraq. The misuse and abuse of our military is a national disgrace. This must be stopped.”

“The only way to prevent more deaths and injuries is to end the war in Iraq immediately, and to bring all of our troops home from Iraq.”
