

# TIME FOR CHANGE

The RCP&J is excited by the opportunity given us by the change in Washington. We are hopeful that our message will reverberate with the new optimism abundant in our neighbors and they will join with us in demanding that peace and justice be upheld.

***We call on all our friends and neighbors to join our work to promote peace and tell our government that “war is not the answer.”***

For the past six years, we have been gathering each Saturday at the Nanuet peace vigil to publicly proclaim our views so that people will feel encouraged to promote peace in their daily lives. We see that President-elect Obama has succeeded in making people believe change is possible.

***We choose this moment to emphasize that wars are ended only when people say they must end. Join us to work for peace and tell our new president:***

**END THE WAR; BRING THE TROOPS  
HOME NOW!!!**

**Join our 312<sup>th</sup> Peace Vigil to end the war!**  
Every Saturday, 1-3pm, at Rte. 59 & N. Middletown Rd. in  
Nanuet, NY
