

# Let Peace Begin with Me

Peace for Christmas, by Dave Granlund at Politicalcartoons, 12/23/08

## Let There Be Peace on Earth *Sy Miller and Jill Jackson*

Let peace begin with me  
Let this be the moment now

With every step I take  
Let this be my solemn vow  
To take each moment and live  
each moment in peace eternally

Let there be peace on earth  
And let it begin with me.

## Chance for Peace

*President Dwight D. Eisenhower*, Address to American Society of Newspaper Editors, April 16, 1953

"Every gun that is made, every warship launched, every rocket fired signifies, in the final sense, a theft from those who hunger and are not fed, those who are cold and not clothed.

This world in arms is not spending money alone. It is spending the sweat of its laborers, the genius of its scientists, the hopes of its children.

This is not a way of life at all in any true sense. Under the cloud of threatening war, it is humanity hanging from a cross of iron."

## Let Peace Begin with Me

The ongoing wars in Afghanistan and Iraq not only cost lives and make us less safe, but also cost us, the taxpayers, \$300,000 per minute.

Please join us in the peace movement to turn the horror and burden of wars into the responsibility and joy of working for peace. Come join us at the peace vigils!
